His Highness the Maharaja of Mysore.

Sir,

With reference to your letters Nos.G.367-8/Police 4-18-34 and G.2618/Police 4-18-38 dated 10-7-1919 and 1-8-1919 respectively in the matter of exemption of certain Police officers from all Military training except the annual musketry course, I have the honor to forward herewith, a copy of letter No.288 dated 16-9-1919 from the Superintendent of Police, Kolar Gold Fields from which it will be seen that the officers whose names are born on the Indian Defence Force are not permitted to leave the stations without first obtaining permission from the Military authorities on every occasion. As such restriction would unduly interfere with the movements of Police officers who are constantly required to leave the head quarters in connection with the prevention and detection of crime, I request you to be so good as to place the matter before the Government and to obtain their early orders exempting these officers from the restriction of obtaining permission when they have to leave their head quarters on duty.

I have the honor to be,
Sir,

Letter No.288 dated 16th September 1919 from the Superintendent of Police, Kolar Gold Fields, to the Inspector General of Police in Mysore.

In continuation of correspondence ending with your No.63/P.3 dated 27-7-1919 and No.39 dated 7-8-1919 regarding certain Police officers and myself being attached to the 43rd Kolar Gold Field Battalion Indian Defence Force for local service, I have the honor to state that these officers were informed of the orders as soon as they were received.

2. Up to the present I have heard nothing from the local Military authorities.

3. It may perhaps, not be known that no member of the Indian Defence Force can leave his station without the permission of his Commanding officer which has to be obtained through the Adjutant and may take a day or more.

4. Once, therefore, the local Military authorities take us on their [redacted] roll none of us will be able to leave the Kolar Gold Field, say for Bowringpet or Betamangala without obtaining permission first however urgent the matter may be as for instances a murder, dacoity or riot and this permission has to be obtained every time.
